RE: 2023 Charles R. O'Meilia Scholarship
Valued at up to \$4000

The Building Officials Association of Palm Beach County has awarded the Charles R. O'Meilia Scholarship for over twenty years, a fact of which we as an association are very proud. The scholarship is open to a resident of Palm Beach County, attending or planning to attend college full time and majoring in Architecture, Engineering, Construction or Public Service.

The Scholarship is \$1000 and is automatically renewed for up to 3 additional years provided the student maintains the eligibility requirements. To continue receiving the scholarship, the recipient must maintain a 3.0 or better grade point average, send a letter and copy of current transcript to the BOAPBC stating they are continuing their education and declaration of their major.

We raise all the scholarship funding locally, and as a result, we seek to award the funds to local worthy students. At this time, there is an available scholarship opening, which we plan to award to a single student for the upcoming 2023-2024 scholastic year.

If you are aware of a local deserving candidate for this award, please forward the attached application to the student so they may submit a completed application to the BOAPBC Nominating Committee. Submit all applications via email to thomas.hogarth@palmbeachschools.org no later than June 1, 2023. An award decision is expected on or before September 1, 2023.

Sincerely,

Thomas Hogarth
